

Did you know? **We've Moved!**

That's right, we are just 2 doors down from where we used to be! Our new address is 959 W Will Rogers Blvd. Our phone number is still the same 918.343.5553! We are beginning to settle in nicely, and would love to have you come visit! Many of you have asked about our new crop space. At this time, we are discontinuing our regular Friday night crops, however we have some fun things in the works for early 2012! We have a few tables set up in back and all of our tools are still available for you to use. We welcome you to come crop with us anytime the store is open and there is no scheduled class or event going on! Of course this is still FREE! Due to limited space, it would be best to call ahead and reserve your spot, this way you will not be disappointed. We will honor reservations before walk ins! Thanks for your understanding!

Beginning in January 2011, we discontinued Punch Cards and converted them to Rewards Cards. Please remember, effective December 30, 2011 we will no longer convert your punch cards to the Rewards Card. Please gather all punch cards you might have and come in and get them converted to your Rewards Card! Got a full card? Use it before December 30, 2011 or it will no longer be valid!
